Transfer of control of
Forest in Biligirirangan Hills —

File No. 177 of 1937. | General and Revenue Secretariat

The Chief Conservator of Forests is agreeable to the abolition. Submitted for orders.

2. The Forest Department is prepared to take up the management of the forest on payment of 10 per cent of the gross income of the forest in addition for direction and exploitation in addition to the cost of the existing establishment employed in the forest as in the case of the forest of the Kalasa temple. (Vide G.O. No. 420-2 Muz. 115-24-6 dated 9th Oct. 1935). As the average revenue of the forest on the Biligirirangan Hills during the past three years is Rs 7500, the total additional cost on account of the transfer of the forest to the Forest Dept. at 10 per cent of its revenue will come to Rs 750 per annum. The total expenditure of the temple will be increased thereby to Rs 10,344-6-0 + Rs 750 or Rs 11094-6-0 per annum. Consequently the surplus of Rs 1400 per annum available to the Jahgirdar of Yelandur under para 6 of G.O. No. 506-10 Muz. 2696-24-32 dated 28th Sept. 1937 will be reduced to Rs 650 per annum, if the proposals of the Muzrai Comr. are sanctioned. The para 6 of the G.O. of 28th Sept. 1937 will have to be amended accordingly.
